

In re Patent Application of:
ARENA ET AL.
Serial No. 09/929,833
Filed: AUGUST 14, 2001

REMARKS

Applicants would like to thank the Examiner for the thorough examination of the present application, for allowing Claims 50-65, and for identifying allowable subject matter in new Claims 66 and 67. New Claims 66 and 67 include the subject matter of dependent Claims 37 and 45, respectively. In addition, the canceling of Claims 35 and 36 overcomes the duplicate claims rejection.

CONCLUSIONS

In view of the amendments presented above, and the Examiner's indication of allowable subject matter, it is submitted that all of the claims are patentable. Accordingly, a Notice of Allowance is respectfully requested in due course. Should any minor informalities need to be addressed, the Examiner is encouraged to contact the undersigned at the telephone number listed below.

Respectfully submitted,

DOUGLAS J. WISNIUS
